

The University of North Carolina at Chapel Hill
Application of Claiming North Carolina Residency
For The Graduate School and Professional Schools

Long Form

Applicants that have lived in the state of NC for less than 3 consecutive years should complete this form. For any inapplicable question, write N/A. Omitted information will delay notification. Signature is required. Please type all responses or print them in black ink or dark pencil.

Under North Carolina law, bona fide legal residents (domiciliaries) of North Carolina are eligible for a lower tuition rate than non-residents. Copies of the applicable law and of implementing University regulations are available for inspection in admissions offices: Undergraduate, Graduate, Dentistry, Medicine, Law, MBA, MAC, Summer School, Education, Continuing Studies, and Pharmacy. In essence, the controlling North Carolina statute (G.S. 116-143) requires: "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes." **G.S. 116-143.1 also sets forth statutory definitions, rules, and special provisions for determining resident status for tuition purposes.**

The law requires that every student admitted to the University (initially or after a lapse in enrollment) be classified for the term admitted as either a resident or non-resident for tuition purposes, prior to enrollment. To be classified a resident for tuition purposes, you must furnish such evidence as the University may require to enable it to make such classification. Unless your Admissions Officer notifies you in writing to the contrary, your classification in the University is non-resident for tuition purposes for your proposed term of enrollment.
