1. How did you find out about the Center's report, "Unless Our Children Begin to learn Together" and about this Listening Session?

2. Do you have a child in one of the school systems in Halifax County? Did you graduate from one of these schools yourself (if so, when)?

3. Why did you want to take part in this discussion? Is it important for parents and community members to have these meetings?

4. Did you learn anything new from the discussion or from the report? What did you find to be the most important or surprising?

5. Did you find today's discussion helpful in the process to improve the quality of Halifax County Schools? Were there any other issues you feel should have been raised?

6. What are the next steps that need to happen before district unification?

7. Do you have any suggestions to improve future Listening Sessions? Are you interested in learning about future Listening Sessions and staying updated on the Center's work in Halifax County? If so, please provide us with your contact information here.
